Ugh...

Honey, if there's one thing I don't understand...

Mmm-hmm...

Meet my parents, the übergoobers

... it's texting. I mean, the keys are too small, it doesn't teach you how to type, it's weird!

mm-hmm

Last week, my mom was ranting on about facebook.

Don't you think it's weird honey?

Uh huh, yeah Mom...

Don't you, Seth?

Huh, I wonder what the history teacher meant...

... when he said that thing...

Dangerous out there...

Hmm...

He saw me !!

My history teacher is also a wolf guy, and he saw me spying on him!
